**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition. I have phone and internet service from small local provider at a much lower cost than the big companies charge. I would like my provider to be able to expand and provide cable TV so that I don't have to pay an exorbitant price to one of the big providers.
